

Foundation is proud to achieve some very significant benchmarks in a very short period after its establishment in 2007.

- Establishment of fifteen schools in the underserved areas across Khyber Pakhtunkhwa and FATA with Directorate of schools in Peshawar in a period of three years. The Foundation is providing high quality education free of cost to children without any discrimination of language and religion.
- More than 5000 enrollments with 60 and 40 percent gender participation ratio of boys and girls respectively.
- Establishment of Professional Development Academy (PDA) to undertake trainings and ongoing professional development of the teachers.
- Establishment of Community Education Committees (CECs) at all school locations.
- Development of Pashto Curriculum in line with Khyber Pakhtunkhwa Textbook Board policies. Pashto textbooks for grade Nursery, I, II and III have been prepared.
- More than 200 employments.
- Youth development through Youth Leadership Training Program and organizing activities like sports, speech competitions, group discussions and poetry competitions.
- Organizing of Conference on ♦Education in FATA/Khyber Pakhtunkhwa- Challenges and Opportunities♦ in March 2009.
- Establishment of camp schools for IDP children.
- Sensitization of community about importance of education.
- Introduction of Culture Curriculum
- Establishment of Culture Display Centers in all Baacha Khan Schools.
- Development of Training Manual for Political Leadership Training
- Development of CEC document.
- Publishing of quarterly newsletter ♦Mashaal♦.
- Organizing Pakhtu language Teachers Training Course.
- Establishment of Pakhtu Curriculum Committee.
- Organizing 15 Culture Melas in different areas of Khyber Pakhtunkhwa and FATA.
