

A social order that ensures individual liberties and collective well being is the vision that inspires us into action.

## **Mission**

To empower the under-privileged people through quality education

## **Objectives**

1. Provision of free subsidized quality educational services to the under-served communities in FATA/Khyber Pakhtunkhwa.

2. Building a system of education that develops in students:

- Critical and analytical thinking.
- Problem solving and social skills.
- Literary and artistic faculties.

3. Establishing a community based system of education through Community Education Committee (CEC) bodies.

4. Empowering women by educating and involving them in decision making processes at all levels.
